### GOING WOKE ORGANIZATIONS FOLLOWING THE WOKE CROWD

Wokeness is another liberal lie that has become a part of America. Wokeness has numerous definitions. Again, the Left creates terminology that is never exact and meant to deceive. I cobbled together this definition of wokeness. Wokeness is being conscious and aware of racial discrimination in society and other forms of oppression and injustice.

The Constitution tells us what racism and injustice are, but that is not enough for the Left. If you listen to them, everything is racism and injustice. They claim roads, school tests, math, buildings, housing, cities, the free enterprise system, and all of America is racist. They also believe that every interaction is racist. If you are not aware of this, you are not woke! As a result, wokeness is accepting transgenderism even for children, allowing boys to compete in girls' sports, allowing boys in girls' locker rooms, pronoun badges...

The entire woke agenda is not biblical, and it is what God considers sin. If wokeness were true, it would make you aware that Christians are being persecuted in America and all over the world. It would make you aware that Donald Trump has been targeted by the Left because of his political beliefs, but the woke left encourages these persecutions.

For some evil reason today, when woke agendas are implemented by a company, other companies follow. When a company starts selling transgender clothes for children, other companies follow suit. When a company begins a so-called diversity training that claims people need to act less white, other companies do the same. This is not biblical. The Bible says, "*You shall not follow a crowd to do evil*" (Exodus 23:2).

It is amazing how the Left counterfeits everything to the exact opposite of what the Bible says. The Left wants you to pick up their mantle and follow the woke crowd. The Bible says, "*Then He said to them all, 'If anyone desires to come after Me, let him deny himself, and take up his cross daily, and follow Me. For whoever desires to save his life will lose it, but whoever loses his life for My sake will save it.'*" (Luke 9:23-24). We are not to follow the woke crowd and do evil; we are to pick up the cross and follow Jesus and do good!
